Mr. [REDACTED] & Family

Mr. [REDACTED]:

This letter contains the instructions in order to facilitate your return home. To begin with on Monday, November 25, 2002 you may go to 4340 W. Armitage before 8:30 a.m. where someone can assist you with obtaining food for the remainder of the week.

Second, in order to possibly obtain or find information to see if you qualify for food stamps you can visit the social security office on North Avenue and California and/or call Ms. Staples at 773.292.7200 and explain to her the situation regarding the mercury spill. Also, if at any time you and/or family are in need of emergency services you can call the American Red Cross at 312.440.2000.

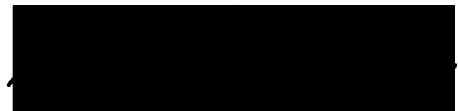

For community services relating to disability and/or home maker services for people 59 yrs. or younger you may call 312.633.6427. If at any time you and/or your family become homeless for whatever reason you can call A Friend's Place Hotline (24 hour service) for families and their children, or the department of Human Services at 312.744.5829 or Catholic Charities at 312.656.7700.

Finally, here is information on a medicine program that helps individuals who have exhausted all options for obtaining medicine and a list of Housing references.

Thank you,

David F. Orozco, B.A.S., C.O.T.A / L
